March 25 – Annunciation of the Theotokos

25 Μαρτιου – Ευαγγελισμος της Υπεραγιας Θεοτοκου

Στις 25 Μαρτιου, γιορταζουμε τον Ευαγγελισμο της Υπεραγιας Θεοτοκου. Η ημερα του Ευαγγελισμου ηταν η μερα που η Παναγια εμαθε την χαρμοσυνη ειδηση οτι προκειται να γεννησει τον Χριστο, τον Υιο του Θεου. Το χαρμοσυνο νεο το εφερε ο Αρχαγγελος Γαβριηλ, που εμφανιστηκε μπροστα της και της ειπε «Ιδου νυν ευαγγελιζομαι χαραν μεγαλην».

Six months after John the Forerunner's conception, the Archangel Gabriel was sent by God to Nazareth, a town of Galilee, unto Mary the Virgin, who had come forth from the Temple a mature maiden (see Nov. 21). According to the tradition handed down by the Fathers, she had been betrothed to Joseph four months. On coming to Joseph's house, the Archangel declared: "Rejoice, thou Full of Grace, the Lord is with thee: blessed art thou among women." After some consideration, and turmoil of soul, and fear because of this greeting, the Virgin, when she had finally obtained full assurance concerning God's unsearchable condescension and the ineffable dispensation that was to take place through her, and believing that all things are possible to the Most High, answered in humility: "Behold the handmaid of the Lord; be it unto me according to thy word." And at this, the Holy Spirit came upon her, and the power of the Most high overshadowed her all-blameless womb, and the Son and Word of God, Who existed before the ages, was conceived past speech and understanding, and became flesh in her immaculate body (Luke 1:26-38).

Bearing in her womb the Uncontainable One, the blessed Virgin went with haste from Nazareth to the hill country of Judea, where Zacharias had his dwelling; for she desired to find Elizabeth her kinswoman and rejoice together with her, because, as she had learned from the Archangel, Elizabeth had conceived in her old age. Furthermore, she wished to tell her of the great things that the Mighty One had been well-pleased to bring to pass in her, and she greeted Elizabeth and drew nigh to her. When Elizabeth heard Mary's greeting, she felt her six-month-old babe, Saint John the Baptist, prophesied of the dawning of the spiritual Sun. Immediately, the aged Elizabeth was filled with the Holy Spirit and recognized her as the Mother of her Lord, and with a great voice blessed her and the Fruit that she held within herself. The Virgin also, moved by a supernatural rejoicing in the spirit, glorified her God and Savior, saying: "My soul doth magnify the Lord, and my spirit hath rejoiced in God my Saviour," and the rest, as the divine Luke hath recorded (1:39-55).

GENERAL ASSEMBLY MEETING

MARCH 24, 2019

(Directly after Church Services)

Let's join together for a Lenten
Pot Luck Dinner after Compline
Services on Monday, March 11, 2019
Further details will follow.

Message from Father George

We find ourselves again in the period of Great Lent. If you observe the fast at all, even in small ways, then you have stepped back from your normal life. Your regular life is dormant. Because winter still hangs in the air outside, the plants and trees also lie dormant. But those plants are busy beneath the surface preparing to blossom into new life in the spring. When winter came some months ago, the trees lost their leaves and the flowers lost their petals. But very soon, they will show forth with new blossoms and bright new leaves. In the same way, our Lenten fast is a period in which we toil beneath the surface to prepare ourselves to blossom into new life in the Resurrection. If we labor now, if we are careful now, then we will not leave the fast as the same people who entered it. Our souls entered the fast like trees in winter, with dry and brittle leaves. But they can leave the fast blossoming with the fruit of the Holy Spirit - love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control (Gal 3:22-23). If we have begun the fast in a way that will cultivate these fruits, let us continue to tend to the garden of our souls. And if we have done nothing to observe the fast, we still have weeks before Pascha! Enter the garden of your soul and begin to care for it. As the Lord says, "The harvest is plentiful, but the laborers are few!" (Luke 10:2). Be one of the few. Labor for a rich harvest in the Resurrection.

Ακαθιστος Υμνος 7:00 μ.μ.

It is with sincerest love and gratitude that we thank our past Parish Council members who served our Church. Their devotion and dedication to God and our Saint Demetrios Church cannot and will not ever be forgotten.

Our past President, Honorable **Marina Corodemus**, made tremendous strides in all aspects of our operations and functions through her ingenious projects to regain and sustain our financial stability, renewal, repair and restoration projects and, now, continues to serve as the President of Philotimo to ensure our future with a building project to provide us with a new Community Center and 27 condominium units. Her work ethic, strength and determination are truly commendable.

Dean Kakadelis served on our Parish Council for two years as a very reliable and dependable member who could be counted on whenever he was needed. He was always a pleasant person and welcoming face to our parishioners as he served his ushering duties in the Narthex. He was, also, particularly, helpful at our Festivals, Coffee hours, Church dances and various Parish Council activities and events. We are all grateful, Dean.

Dino Kusulas served on our Parish Council for several years, many of which were as the Treasurer. In his quiet way, Dino handled the finances which required numerous hours of record-keeping and accounting and reporting of our financial status. Often, he would be found in the Church office hours after everyone had gone home since he would not leave until he was satisfied that he had fulfilled his task. Another admirable and time-consuming task that Dino undertook for many years was editing our monthly Church newsletter for which we are so very grateful. Thank you, Dino!

Maria Mantoudakis served on our Parish Council for numerous years as a member who focused her service on our children and our parishioners. She has a very sweet, loving demeanor to which they all are very responsive. She was a Sunday School teacher beginning at the age of 19 and continues to serve as a substitute teacher. Her talents in writing and oral speaking are a perfect blend as she works with our GOYANS on their Oratorical Festival speeches and continues to this day. Due to her guidance and support, we have achieved numerous first, second or third place winners over the years and we are hoping that trend will continue this year, as well. We appreciate you, Maria.

PRESIDENT'S MESSAGE

My Dearest Parishioners of our Saint Demetrios Church,

My heart is overflowing with much love, gratitude, and joy for this unique opportunity to serve as President of the Church where I was baptized and raised. I am truly blessed and honored! My lineage goes back to the first Greek Orthodox settlers here in Perth Amboy. My Pappou, my Grandfather, Vasilios Coutros, was the first of our family to arrive from Anavryti, Greece and he, eventually, became President of the first Greek Orthodox Church in Perth Amboy in 1933. It is difficult to express how much that means to me and I hope that I can make him proud and make all of you proud, as well.

My family and I have always been active parishioners of Saint Demetrios Greek Orthodox Church. My father, Louis Coutros, also served on the Parish Council and my mother, Georgia, was an extremely active parent as I went through Sunday School, Greek School, G.O.Y.A. and Maids of Athena. Once my own daughter, Kelly, started Sunday School in 1984, I became a Sunday School teacher and have continued ever since then.

I served as a Teacher, Vice Principal and Principal in the Perth Amboy School System where I enjoyed every day of my 41-year career in education, immensely. I am now retired and a grandmother of my two precious grandsons, Christopher and Kyle who are the lights of my life. We enjoy spending time with my sister, Mae Coutros Menchise, and her family who all live in Annandale, NJ.

As President, I promise to work towards the betterment of our Church community together with our wonderful Priest, Father George Parsenios, my fellow Council Members and all of you who have mutual love and respect for our heritage, our culture, and our faith.

Please do not hesitate to approach me or any of the Parish Council Members with your wishes for the vision of our Church community. Together, we can make great strides in bolstering great pride and growth in our community and honor our past generations who worked so diligently to build and preserve the community that we all love so dearly today. It is with great anticipation and appreciation that we await the future of our community to be built across the street through the arduous work of our past President, Honorable Marina Corodemus and Philotimo.

As we enter this Lenten season, let's stand together, side-by-side, in prayer and worship of our Lord Jesus Christ and ask for His grace and mercy.

In HIS Service,
Helen Coutros Horan
Parish Council President
